

**A RESOLUTION RELATING TO THE ADOPTION OF THE  
SPOKANE COUNTY EMERGENCY MANAGEMENT PLAN UPDATE  
FOR THE CITY OF MILLWOOD**

**WHEREAS**, Spokane County Department of Emergency Management has prepared the 2010 Comprehensive Emergency Management Plan (CEMP) for Spokane County including the cities and towns located within Spokane County; and

**WHEREAS**, the CEMP describes in detail the centralized direction of requests for assistance and the understanding that the governmental jurisdiction most affected by an emergency is required to fully involve itself in the emergency prior to requesting assistance; and

**WHEREAS**, Spokane County intends to use the Incident Command System (ICS) to respond to emergencies, which is a management tool for the command, control, and coordination of resources and personnel in an emergency in accordance with the National Incident Management System (NIMS) that has already been adopted by the communities included in this plan.

**WHEREAS**, through implementation of preparedness and mitigation measures before a disaster or emergency occurs, timely and effective response during an actual occurrence, and provision of both short and long term recovery assistance after the occurrence of a disaster, lives can be saved and property damage minimized.

**WHEREAS**, it is in the best interest of the City of Millwood to participate in the implementation of the Plan;

**NOW THEREFORE**, be it resolved by the Council of Millwood:

That the City of Millwood hereby adopts the 2010 update of the Spokane County Comprehensive Emergency Management Plan.
